

Wichita Native Serves as Congressional Intern in Moran's Washington, D.C. Office

WASHINGTON, D.C. – Congressman Jerry Moran announced that McKenzie Snow is serving as a congressional intern in his Washington, D.C. office this summer. Snow is a 2008 graduate

of Kapaun Mt. Carmel High School and plans to graduate in 2011 from Kansas State University (KSU) with a bachelor's degree in political science.

"Congressional internships offer Kansas students a great opportunity to learn about Congress and the legislative process," Moran said. "McKenzie is doing important work for Kansans and gaining valuable experience that will help him in the future."

At KSU, Snow is a student senator and student ambassador for the College of Arts and Sciences and serves as the President of the Constitutional Law club and the Vice President of Chimes Junior Honorary. She also serves on the Arts and Sciences College Council and the KSU Student Foundation. Earlier this summer, McKenzie lived and volunteered in Liberty Orphanage in Essienempong, Ghana as a Chapman Scholar. As a 2011-2012 Rotary Ambassadorial Scholar, she intends to pursue a master's degree abroad. She then hopes to attend law school and, upon completion, work in child advocacy law.

"I have had an invaluable experience, both professionally and personally," said Snow. "Working for Congressman Moran has reignited my passion for the democratic process and provided me with true appreciation and pride for the character of our state."

Snow assists Moran with legislative and administrative duties on behalf of the people of Kansas. She is the daughter of Windell Snow and Brenda Gerleman of Wichita.
